SUBJECT: LITHUANIA ON ICI: GOL'S AMB TO EGYPT WILL
PARTICIPATE

REF: STATE 47346

We delivered reftel points to Irena Vedrickaite, Head of the MFA's Africa and Middle East Division, on April 12. She said she regretted to inform us that the FM's schedule would not allow him to attend the ICI signing. The GOL will be represented by its Ambassador to Egypt. She indicated that Lithuania is not ready to propose any new money or projects, but pointed out that it is hosting a training operation from April 11 - April 25 for Iraqi Detention System personnel.
